

Prerequisites IBM cloud services

Date	08 November2022
Team ID	PNT2022TMID39059
Project Name	Project - Smart solution for railways
Maximum Marks	

The screenshot displays the IBM Cloud dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user profile (Selvakumaran Rethik's ...). Below the navigation bar, the main section is titled 'Dashboard' with a dropdown arrow. To the right of the title are links for 'Edit dashboard', 'Upgrade account', and a prominent blue 'Create resource' button. The dashboard is divided into two main sections. The top section, labeled 'For you', contains six cards: 'Build' (purple background), 'Set up your IBM Cloud account' (10 min), 'Build a web app with Watson Speech to Text' (15 min), 'Use Speech to Text' (2 min), 'Learn about Support Center' (20 min), and 'Grant users or service access to resources' (Recommended). The bottom section contains four panels: 'News' (with a 'View all' link and three news items), 'Recent support cases' (with a 'View all' link and a server icon), 'Planned maintenance' (with a 'View all' link and a server icon), and 'IBM Cloud status' (with a 'View all' link and a world map icon).
